Customer Service/ Rules & Regulation Class Attendance Required
<p>I have received the Airport Customer/ Rules & Regulations (R&R) class and understand that it is my responsibility to remain current with these requirements at all times. I understand that it is my responsibility to contact Public Safety if at any time I am not able to meet the R&R requirements. Violating any of these R&R can result in a suspension and possibly loss of my airport operating permit. I view customer service as an important part of my job while working at the airport, and will strive to provide the best customer service at all times.</p>
