The applicable provisions as outlined in Section 6.0 “Attachment C – Federal Required Contract Provisions” will be included in the contract as per FAA requirements.

By signing and submitting a bid/proposal under this solicitation, the bidder/offeror certifies that if awarded the contract, it will purchase and maintain, at its sole expense, and from a company or companies authorized to do business within the Commonwealth of Virginia, insurance policies containing the following types of coverages and minimum limits, protecting from claims which may arise out of or result from the bidder’s/offeror’s performance or non-performance of services under this Contract, or the performance or non-performance of services under this Contract by anyone directly or indirectly employed by the bidder/offeror or for whose acts it may be liable: Each policy shall contain endorsements entitling the Authority to not less than 30 days prior written notice of any material change, non-renewal, or cancellation of the insurance. If no single policy can be
procured to provide the coverages listed, multiple policies shall be procured to satisfy these requirements.

Where any payment or performance bond, with surety, is required, each of the bonds shall be executed by one or more surety companies selected by the Contractor that are authorized to do business in Virginia. Each of the bonds shall be filed with Authority. In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond. If approved by the Authority attorney, a bidder may furnish a personal bond, property bond, or bank or savings institution’s letter of credit on certain designated funds in the face amount required for a required bid, payment, or performance bond. Approval shall be granted only upon a determination that the alternative Form of security proffered affords protection to Authority equivalent to a corporate surety’s bond.

The required payment date shall be either: (i) the date on which payment is due under the terms of the contract for the provision of the goods or services; or (ii) if a date is not established by
contract, not more than 45 days after goods or services are received or not more than 45
days after the invoice is rendered, whichever is later. Separate payment dates may be
specified for contracts under which goods or services are provided in a series of partial
executions or deliveries to the extent that the contract provides for separate payment for
partial execution or delivery. Unless otherwise provided under the terms of the contract for
the provision of goods or services, if Authority fails to pay by the required payment date, the
Authority shall pay any finance charges assessed by the supplier that shall not exceed one
percent per month. In those cases where payment is made by mail, the date of postmark
shall be deemed the date payment is made.

17. **Contractor’s Tax ID** (VA. Code §2.2-4354(2)). Notwithstanding the foregoing, the
Contractor shall have no right to receive payment from Authority unless and until (i) for an
individual contractor, the Contractor must provide his social security number to the Authority,

the rate of one percent per month on amounts owed by Authority to Contractor, which
remain unpaid by the required payment date. (See VA Code §2.2-4354)

between the Authority and a vendor regarding the quantity, quality, or time of delivery of
goods or services or the accuracy of any invoice received for the goods or services. The
exception from the interest penalty provided by this paragraph shall apply only to that
portion of a delayed payment that is actually the subject of the disagreement and shall apply
only for the duration of the disagreement.

20. **Retainage (Construction Contracts)** (VA. Code §2.2-4333). In any construction contract
that provides for progress payments in installments based upon an estimated percentage of
completion, the Contractor shall be paid at least 95 percent of the earned sum when
payment is due, with no more than 5 percent being retained to ensure faithful performance
of the contract. All amounts withheld may be included in the final payment. Any subcontract
for a public project that provides for similar progress payments shall be subject to the
provisions of this Section.

bridges, parking lots, demolition, clearing, grading, excavating, paving, pile driving,
miscellaneous drainage structures, and the installation of water, gas, sewer lines and
pumping stations, where portions of the contract price are to be retained, the Contractor is
authorized to elect to utilize an escrowed retainage procedure, via notification submitted with
its bid submission.

In the event the Contractor elects to use the escrow account procedure, the Contractor shall execute an escrow form substantially the same as that used by VDOT and shall submit the executed escrow form to Authority within 15 calendar days after notification. If the escrow agreement is not submitted within the 15-day period, the Contractor shall forfeit his rights to the use of the escrow account procedure. Any designated escrow agent shall be a trusted company, bank, or savings institution with its principal office located in the Commonwealth. If the construction contract includes payment of interest on retained funds, the Contractor shall, exclusive of reasonable circumstances beyond the control of the Contractor, be required to pay the penalty specified within the construction contract for each day exceeding the completion date stated in the contract.

22. **Payment of subcontractors required** (VA. Code §2.2-4354) Within seven days after receipt of amounts paid to the Contractor by Authority for work performed by the subcontractor under that contract, the Contractor shall: (a) pay the subcontractor for the proportionate share of the total payment received from the agency attributable to the work performed by the subcontractor under that contract; or (b) notify the agency and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor’s payment with the reason for non-payment. The Contractor shall pay interest to the subcontractor on all amounts owed by the Contractor that remain unpaid after seven days following receipt by the Contractor of payment from Authority for work performed by the subcontractor under that contract, except for amounts withheld as allowed in (b), above. Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of one percent per month. The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor. A contractor’s obligation to pay an interest charge to a subcontractor pursuant to this payment clause shall not be construed to be an obligation of Authority. No contract modification shall be made for the purpose of providing reimbursement for the interest charge, and no cost reimbursement claim shall include any amount for reimbursement for the interest charge.

23. **Contract disputes and claims** (VA. Code §2.2-4363). Written notice of the Contractor’s intention to file a claim, whether for money or other relief, shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment. Contract claims, whether for money or other relief, shall be submitted in writing to the Authority no later than 60 days after the Contractor’s receipt of final payment; provided, however, that written notice of the Contractor’s intention to file a claim shall have been given at the time of the occurrence, or at the beginning of the work, upon which the claim is based. Claims shall be considered by Authority in accordance with VA Code §2.2-4363. The final decision of the Authority shall be final and conclusive unless the contractor appeals within six months of the
date of the final decision on the claim by the Authority by instituting legal action as provided in VA Code §2.2-4364.

24. **Trade Secrets; Proprietary Information.** Except as provided in VA Code §2.2-4342, all proceedings, records, contracts, and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm, or corporation, in accordance with the Virginia Freedom of Information Act (VA Code § 2.2-3700 et seq.). Any inspection of procurement transaction records under this Section shall be subject to reasonable restrictions to ensure the security and integrity of the records. Trade secrets or proprietary information submitted by a bidder in connection with a procurement transaction or prequalification application shall not be subject to the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), provided that the bidder must (i) invoke the protections of the referenced VA. Code section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary. Each bidder is solely responsible for protecting its trade secrets or proprietary information in accordance with these instructions.

25. **Applicable Law.** Any contract resulting from an Authority procurement transaction shall be governed in all aspects by the laws of the Commonwealth of Virginia, without regard to conflict of laws’ provisions, and any litigation with respect thereto shall be brought in the Circuit Court for Albemarle County, Virginia.

26. **No Collusion** (VA. Code §18.2-498.4). Any person offering or agreeing to transact business with Authority may be required to submit a certification that the offer or agreement or any claim resulting therefrom is not the result of, or affected by, any act of collusion with another person engaged in the same line of business or commerce; or any act of fraud punishable under this article.

27. **No Waivers of Sovereign or Governmental Immunity.** No action or omission of Authority, and no terms, conditions, or provisions within any contract resulting from this procurement transaction, shall be deemed or construed as a waiver of any sovereign or governmental immunity to which Authority may be entitled under the laws of the Commonwealth of Virginia, or any applicable federal law.
