Replacement of Baggage Belt Systems at the
Commercial Passenger Terminal for
Charlottesville-Albemarle Airport
RFP #2023-05
ADDENDUM #4
December 2, 2022

RESPONSES TO QUESTIONS SUBMITTED

PRIOR TO 2:00 p.m. (EST) NOVEMBER 28, 2022
**Inbound:**
In the highlighted oval (Exhibit “A” in RFP #2023-05) is there a feeder line to flat plate carousel?
There’s a feeder belt that drops off to the carousel.

If so, how long is the line and how is it discharging onto the flat plate?
Approximately 40 feet and bags drop to the carousel.

Also, do you know the BF of the belt? What's the overall linear foot length of the carousel?
Approximately 80 feet.

**Outbound:**
Can you tell me the length and BF of both sides of the Ticket Counter.
Approximately 40 feet.

Also, would like the dimensions of the transport conveyor to the makeup unit and how it discharges to the MU.
Approximately three feet.

Need the dims of the MU carousel too.
Not available

1. Provide full architectural as-built drawings of the Terminal Building
   Not Available
