**QUESTIONS AND ANSWERS**

1.    **QUESTION:**            Will any additional compensation be made for adverse field conditions such as excavation and/or trenching through rock?

**ANSWER:**             No. All bidders should examine the site and satisfy themselves as to the field conditions before submitting their bid.
2.    **QUESTION:**            Is the Contractor responsible for construction layout and staking?

**ANSWER:**             Yes. In accordance with Section 50-06 "Construction Layout and Stakes", the Engineer shall furnish the Contractor with horizontal and vertical control only in the form of bench marks, and the Contractor must furnish all additional stakes for the layout and construction of the work and preserving all stakes and benchmarks through the duration of the project.
3.    **QUESTION:**            What permits are required to commence construction?

**ANSWER:**             The permits required shall be identified and procured by the Contractor prior to the start of construction. The Contractor shall coordinate which permits are required with the Albemarle County Community Development, Service Authority, VDOT, etc.
4.    **QUESTION:**            Will the Contractor be required to reseed areas of the project which yield a sparse cover from initial seeding?

**ANSWER:**             Yes. The Contractor will be responsible for obtaining a "good stand of grass with regard to color and density". No additional compensation will be made for overseeding.
5.    **QUESTION:**            Can bond forms from Surety companies be used in lieu of documents in specifications?

**ANSWER:**             Yes, as long as they "say" the same thing.

SUBMITTED TO

Charlottesville-Albemarle Airport Authority

DELTA PROJECT NO. 15025

In compliance with our Invitation for Bids, the undersigned hereby propose to furnish the materials and labor and to perform the work for the completion of items listed in the Schedule below in strict accordance with the Invitation for Bids, Plans, General and Special Provisions, Construction Details, Specifications and all other contract documents for the consideration of the prices quoted in the following schedule of bid items, and agrees, upon receipt of written notice of award, that it will execute a contract in accordance with the bid as accepted and give the required contract bonds with good and sufficient surety, within fifteen (15) calendar days after receipt of notice of formal award of contract and presentation of the prescribed forms.

It is agreed that the undersigned has informed itself fully in regard to all conditions pertaining to the place where the work is to be done; that it has examined the plans and specifications for the work and contractual documents thereto, and has read all the special provisions furnished prior to the opening of bids, and that it has satisfied itself relative to the work to be performed.

It is agreed that the description under each item, being stated, implies although it does not mention, all incidentals and that the prices stated are intended to cover all such work, materials, and incidentals as constitute bidders obligations as described in the specifications, and any details

not specifically mentioned, but evidently included in the contract shall be compensated for in the item which most logically includes it.

It is understood that this proposal is submitted for the purpose of obtaining the work included in subject project at the Airport. Said work includes the following general items:

**Install Triturator**

Said work is described in the project contract documents which also include the place, date, and time of opening proposals.

It is understood that separate contracts on individual schedules of work may be awarded, when included in the bid documents.

It is understood that wages not less than the minimum rates or wages, as predetermined for this project by the Secretary of Labor, were used in the preparation of this proposal.

It is understood that all workmanship and materials under all items of work are guaranteed for one year from the date of final acceptance.

It is understood that the Owner reserves the right to accept or reject any or all bids and waive informalities.

It is understood that the quantities of work to be done are approximate only and are intended principally to serve as a guide in evaluation of proposals, with the right reserved by the Owner to delete minor bid items.

The undersigned agrees, that if awarded the contract, it will commence the work not later than ten (10) days from receipt of the Notice to Proceed and that it will complete the work within the time stipulated in this proposal.

It is understood that for each calendar day that any work remains incomplete after the contract time (including all extensions and adjustments as provided in the subsection titled DETERMINATION AND EXTENSION OF CONTRACT TIME) the sum of zero dollars (\$ 0) as liquidated damages will be deducted from any money due or to become due to the Contractor or its Surety. Such deducted sums shall not be deducted as a penalty but shall be considered as liquidation of a reasonable portion of damages that will be incurred by the Owner should the Contractor fail to complete the work in the time provided in its contract.

Enclosed is security as required, consisting of (cash, certified check, or bid bond) \_\_\_\_\_ payable to the Charlottesville-Albmarle Airport Authority, in the amount of \$ \_\_\_\_\_.

This amount equals 5 percent of the total amount bid submitted by the Contractor.

It is understood that this project is funded by federal, state, and local monies and the Contractor shall be subject to all laws and regulations applicable to recipients of such funds.

The Contractor shall be a licensed Contractor registered with the Commonwealth of Virginia shall list its registration number at the end of the proposal in the designated location and shall enclose a copy of its licensing certificate. In the event that the registration is pending, or in process, a statement as to the status shall be included instead.
